II. Selection of subjects to be brought forward at the ensuing Birthday Session of the Representative Assembly.

Resolved that the following subjects be sent up.

(i) The City is being expanded on all sides, and the difficulty for water is felt in many places. More public fountains may be ordered to be erected. Owing to low pressure in Lashkar and Mandi Mohallas water-supply is very scanty. The same may be improved by providing high pressure service.

(ii) Arrangements may be made to provide Gomas for the cattle in the City.

(iii) Telephone service may be ordered to be installed for private use in the City.

(iv) Electric lighting charges may be modified by providing a minimum charge as in Madras, Bombay, etc.

(v) The Trust Board may be amalgamated with the Municipality.

(vi) Civil Court Judges illegally allow 6 per cent against the agreed rates from the date of suits to the date of decree. The Civil Procedure Code allows interest from date of decree at 6 per cent. It ruins the business. Orders may be issued for allowing usual Bank rates at 12 per cent.

(vii) Even simple suits based on accounts, negotiable instruments, small cause suits, etc., are unnecessarily long delayed; orders may be passed for expeditious disposal.

(viii) The Municipality may be given a portion of excise revenue collected within the City in the shape of shop rentals and license fees.

(ix) The Chief Officership in the City Municipalities may be abolished, as the President and Vice-President exercise executive powers.

(x) Arrangements may be made to deposit *praduat* amounts, etc., relating to temples and other charitable institutions within Municipal limits, in the respective Municipalities, with interest at Savings Banks rates.

(xi) Five-eighths of the number of Municipal Councillors to be elected members.

(xii) Recovery of fees from patients in Hospitals may be discontinued.

(xiii) Intermediate class accommodation may be provided in Railway Carriages.

(xiv) Process in execution cases are much delayed. They should be ordered to be executed immediately.

(v) Income-tax authorities ask for vouchers etc., even for trivial payments and legitimate expenses. This causes much inconvenience. Pray orders may be issued to accept such legitimate charges, without insisting on the production of vouchers.
